

University of Northern Iowa

Guidelines and Prerequisites for Directed Studies

These guidelines apply to students who are currently enrolled in a degree program at the University of Northern Iowa.

Administrative activities are not to be directed studies.

Purpose:

To provide students with the opportunity to conduct an in-depth examination of a subject area not covered in the regular curriculum. A grade of A, B, or C is awarded. This course is a substitute for an equivalent course. A student would demand a substantial project which is equivalent to an upper division course in the department. The details of the work must be specified in the proposal.

Prerequisites: Student must have completed prerequisite courses offered that cover relevant background material for the project.

1. Student has taken all relevant prerequisite courses.

Minimum of a B (3.0) GPA

2. Student has a minimum of 12 credit hours in the major.

Proposal: Student must submit a written proposal to the instructor and the department chair. The proposal should include a description of the project, the student's background, and the student's goals for the project.

30 hours of class time registered.

4. A student must have worked on the project for a minimum of 10 hours per week as the part of the student includes work.

5. A student must have a minimum of 10 hours of work on the project.

6. A student must meet with the instructor regularly (at least once per week).

3. Student must have a minimum of 10 hours of work on the project.

7. A student must have a minimum of 10 hours of work on the project.

8. A student must have a minimum of 10 hours of work on the project.

9. A student must have a minimum of 10 hours of work on the project.

10. A student must have a minimum of 10 hours of work on the project.

11. A student must have a minimum of 10 hours of work on the project.

12. A student must have a minimum of 10 hours of work on the project.
